EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

This measure will increase expenditures of the 16th Judicial District Court by approximately \$33,000, as the bill stipulates that the funds transferred from the Iberia Parish Library Commission's general fund must be spent on technological improvements. However, officials of the Court are uncertain as to when the funds would be expended.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.

This measure will increase revenues of the 16th Judicial District Court by \$33,000 in fiscal year 2011, as a result of the transfer from the Iberia Parish Library Commission's general fund. According to the Iberia Parish Clerk of Courts Office, there will also be a decrease in revenue; a two dollar fee that was added to the initial cost of docketing civil issues and used to fund the Commission will no longer be collected. An official with the 16th Judicial Attorney's Office stated that annual collections from this fee are approximately \$4,500.
